

VACANT POSITION AT ENVIROKONSULT

POSITION:	AQUATIC TECHNICIAN / SCIENTIST (JUNIOR)
LOCATION:	Pretoria or other
QUALIFICATIONS:	N.Dip., B.Tech., or B.Sc.
JOB DESCRIPTION:	<p>Our aquatic technicians and scientists are trained in the workplace and certified by the National Department of Agriculture (Act 36 of 1947) to make applications of aquatic algaecides and herbicides. This work is carried out for our clients who include government departments, municipalities, homeowner associations, commercial real estate developments, apartment communities, golf course communities, etc. Daily routines include lake inspections & treatment as needed, vegetative surveys, minor engine & equipment repairs/cleaning, etc. Spray boats, carts, backpacks, and service trucks are used daily. The Aquatic Weed Technician/Scientist works in the field Monday through Friday from 08:00 to 16:30pm with occasional weekends. We also perform fish stocking, water quality testing, environmental monitoring, and other work in the aquatic field.</p> <p>We need friendly people with good communication skills. This is a full time position (with a probation period of six months) which is both physically and mentally challenging. If you are fit, like working outdoors and have good customer service skills then please submit your resume via e-mail.</p>
REQUIREMENTS:	<p>The person appointed in the position as Aquatic Technician/Scientist will:</p> <ul style="list-style-type: none"> • Be a responsible and reliable individual • Have a tertiary qualification (diploma or higher) in a natural science or engineering discipline See above) • Have a valid drivers' license for a motor vehicle • Have his or her own reliable transport • Be willing to travel regularly and extensively for work purposes • Work or travel over weekends • Be computer literate and a confident user of MSOffice programs (Word, Excel, PowerPoint) • Be based in Pretoria (with a possibility to relocate) • Have a keen interest in, and passion for the aquatic environment and nature in general • Present proof of being able to work independently • Knowledge of, or experience in, environmental monitoring and rehabilitation will be an advantage • Must successfully obtain the Pest Control Operators licence within three (3) months from date of appointment • Due to the nature of our work environment and associated hazards, all employees are tested for their swimming ability both prior to employment and annually thereafter. • Envirokonsult reserves the right not to make any appointment(s) to the above post.
RENUMERATION:	To be negotiated
CONTACT:	Please send your CV with proof of qualifications to admin@envirokonsult.co.za
